Submitting modified proposals as regards the Special Reserve Scheme

of ₹15/-; as they will both have to keep superior animals, for escorting His Highness the Maharaja, and distinguished guests.

(Note:- The present scale of horse allowance is ₹30/- for the Special Reserve Inspectors .)

I think also the Sub Inspector should have a good salary to keep up his position, as he will have to live in Bangalore and Mysore; hence my amended rate of pay.

The omission of the 3 Naiks in the Proposition -- statement was a careless oversight. We have 3 Naiks at present and must continue to have a grade, between Constables and - Havildars, as in the Military Department.

The increases to the pay of Subedars, and Havildars, are I think desirable, as they are responsible officers, and the extra rates of pay now suggested, will no doubt attract a better class of retired Petty officers from British Regiments.

4. I very much regret that Government should be again troubled on this subject, just after passing final orders; but the amended proposals are the outcome of my recent tour in the Province, and of a further careful consideration of the wants of our Special Reserve Forces. I have not as yet given effect to the scale sanctioned by Government, (the Government order having only been received to-day) as it will take some little time to mobilise the Reserve Forces located in Tumkur, Shimoga and elsewhere; so that the scheme now proposed can be carried out without confusion or inconvenience.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

READ—

(1) Government Proceedings No. 2190-1—Police 55-5, dated the 2nd February 1905, sanctioning the proposals of the Inspector General of Police for a revision of the Special Reserves Police Force in the State.

(2) Letter No. 5231—553, dated the 13th March 1905, from the Inspector General of Police in Mysore, submitting certain modifications in the revised scale sanctioned in the Government Proceedings read above :—

During my recent tour of inspection through the Shimoga, Kadur and Hassan Districts, I went very carefully into the question of reallocation and redistribution of the Taluk Police. I find that without impairing the efficiency of the Taluk Police, we can materially strengthen the Reserves at all District Head-quarters, by proportionate reductions, from the Taluk strength. I am sanguine that with careful redistribution, a considerable reduction of the Taluk establishments in nearly all Districts may be effected.

2. This at any rate is certain, that District Reserves can be somewhat strengthened from the District Forces at our disposal ; and seeing that this is possible, I wish to slighly modify my proposals as regards the Special Reserve Scheme, which Government have kindly sanctioned recently in Government Proceedings No. J. 2190-1—Police 55-5, dated 2nd February 1905.

I propose to reduce the number of Special Reserve constables by *ten*, five from the 1st class and five from the 2nd class ; and to make use of this saving (which amounts to Rs. 95 per mensem) by slightly improving the pay of the petty officers and Inspectors of the Special Reserve Force.

My modified proposals will work out as follows :—

DECREASE.

	Rs.
5 1st class constables at Rs. 10 per mensem	50
5 2nd class constables at Rs. 9 per mensem	45
Total ...	95

INCREASE.

(1)	Increase of Rs. 5 per mensem to horse allowance of the Senior Reserve Inspector.	5
(2)	Do do of the Reserve Sub-Inspector ...	5
(3)	Increase of Rs. 25 per mensem to the pay of the Sub-Inspector, *i.e.*, Rs. 75—5—100 instead of as sanctioned, Rs. 50—5—75.	25
(4)	Do to the pay of Subedars, *i.e.*, Rs. 20—1—25 instead of Rs. 15—1—20.	15
(5)	Do to the pay of Havildars of Re. 1, *i.e.*, Rs. 12—1—16 instead of Rs. 11—½—14.	10
(6)	Additional provision for 3 Naiks, omitted to be shown in the proposition statement sent up to Government, at Rs. 11 each (according to *present* scale 3 Nāiks draw Rs. 12 each).	33
(7)	Sāvings Rs. 2 per mensem which may be utilized for contingencies ..	2
	Total ...	95

3. The horse allowance of the Inspector and Sub-Inspector in command of the Special Reserves, should certainly be 20 instead of Rs. 15, as they will both have to keep superior animals, for escorting His Highness the Maharaja, and distinguished guests.

(Note.—The present scale of horse allowance is Rs. 30 for the Special Reserve Inspectors.)

I think also the Sub-Inspector should have a good salary to keep up his position, as he will have to live in Bangalore and Mysore ; hence my amended rate of pay.

The omission of the 3 Naiks in the proposition statement was a careless oversight. We have 3 Naiks at persent and must continue to have a grade, between constables and Havildars, as in the Military Department.

The increases to the pay of Subedars and Havildars are, I think, desirable as they are responsible officers ; and the extra rates of pay now suggested will no doubt attract a better class of retired petty officers from British regiments.

4. I very much regret the Government should be again troubled on this subject, just after passing final orders ; but the amended proposals are the outcome of my recent tour in the Province, and of a further careful consideration of the wants of our Special Reserve Forces. I have not as yet given effect to the scale sanctioned by Government, as it will take some little time to mobilize the Reserve Forces located in Tumkur, Shimoga and elsewhere; so that the scheme now proposed can be carried out without confusion or inconvenience.
